Suffolk company AMS(Outsourcing) based in Needham Market are sponsoring The Deben Challenge

AMS, based in Needham Market, are supporting The Deben Challenge being run by local people for the national cancer charity. Directors Leslie-Ann Giovnilli and Robina Wilkes also plan to take part in the event which runs from August 24 until September 9. A total of £25,000 is the hopeful total of fund raising.

MD Leslie-Ann said “We think this is very worthy charity and we love to support local organisations that have a real belief in what they are doing. Having worked with Adrian Smith (TDC Committee Chairman) for many years on other voluntary committees I am sure that he will cheer the team on to success”.

Director Robina said “The Deben is such a great local feature and drawing attention to this river for both local people and tourists can only benefit us all, not to mention raising funds for a charity that works on an illness that has affected us all in some way. ”
