PRESS RELEASE

01 AUGUST 2019

Wing- walking and abseiling challenges help to raise over £15,000 for MIND.

Suffolk company AMS(Outsourcing) based in Needham Market helped their not-for-profit client,

AMS, based in Needham Market, used its wealth of events experience to help international trade association, IRLA, to exceed their £10,000 target for fund-raising during their 20-year anniversary year.

A total of £15,243 has been raised to date, with £4,943 from AMS organised business social events; an abseiling of 450ft from the top of the British Airways i360 in Brighton which raised £7,629; £1,616 came from AMS Director, Robina Robinson who took on a wing walking challenge, whilst less fearless Managing Director Leslie-Ann Giovnilli raised £355 through local fund raisers, including a literary trail, car boot sale and painting auction which donated £700.

MD Leslie-Ann said “We have really enjoyed organising the various fund raisers this year and are incredibly happy that the total funds exceed our projections and have to thank our client for their faith in us and all of our colleagues who stepped up to smash the £10,000. MIND is a charity close to the hearts of those in the financial sector and we believe it to be a most worthy cause”.

Director Robina said “The wing walk was such an amazing experience and I am hugely grateful to everyone that sponsored me. I hope that next year I will be brave enough to take on my most terrifying challenge of a tandem skydive in aid of 2020s chosen charity.”
